Update: Incident at Capacity Expansion Shelter

December 8, 2022

A stabbing incident occurred on November 28th, 2022 outside of the Capacity Expansion Shelter (CES). The victim was immediately attended to and taken to hospital for treatment of minor injuries.

As this incident was a criminal offense, Ksan Society's responsibility was to notify law enforcement and ensure the safety of the victim, other CES clients, and staff. The perpetrator, who has occasionally accessed Ksan Society services, has a history of criminal offences. To ensure the safety of clients and staff, Ksan Society has revoked the individual's access to all Ksan Society services. The perpetrator has been apprehended by law enforcement, and, as of most recent RCMP updates, is in custody.

The victim was released from hospital the same day of admittance. Ksan staff are grateful that they were able to provide the victim with appropriate support and care.
