Joe's Place Update: Permanent Funding Secured

August 3, 2023

'Ksan Society is pleased to announce that permanent funding has been secured for Joe's Place, the Capacity Expansion Shelter, effective April 1st, 2023. This funding is essential for the continued provision of shelter and associated supports for our community's most vulnerable people.

The original objective of this shelter was to provide a safe space for vulnerable people as a result of the COVID19 pandemic and has continued to operate in order to meet the continued demand for shelter beds. Permanent funding will allow us to develop long-term plans as we work to meet the ever-increasing need for programs like Joe's Place in our community.
